

Future of Family Healthcare

Hemas Hospitals, the trend setters in the Sri Lankan Healthcare industry and a member of the Hemas Group of companies, currently operates three multi-speciality hospitals in Wattala, Galle and Thalawathugoda with the vision of providing excellent medical services in a state-of-the-art facility, coupled with caring hands of our well trained and dedicated team of professionals.

Being the only hospital chain in Sri Lanka to be crowned with the prestigious international accreditation from the Australian Council on Healthcare Standards International and having achieved excellence in diagnostic services through ISO standards, the Hemas Hospital Chain strives to deliver the very best of healthcare to all Sri Lankans while being a sought after employer for healthcare professionals.

Hemas Hospitals - Thalawathugoda, the latest member of the Hemas Hospital Chain, is a 60 bedded hospital, including modern Operation Theaters, delivery rooms with neo-natal care, fully equipped Intensive Care Unit, a 24 hour emergency care unit, a high tech 24 hour laboratory and latest sophisticated MRI and CT scanners in the country.

Nurse-In-Charge (ICU)

As the Nurse in Charge, you are responsible for the overall performance of the unit assigned to you. You would be required to train and supervise the nursing staff, coordinate and communicate with Consultants and Paramedical staff and be responsible for inventory management and clinical performance in order to meet hospital standards.

We are expecting an experienced nurse with a 3 years Diploma or B.Sc. degree in Nursing with over 10 years experience in the relevant unit with a minimum of 3 years at a supervisory level. Possessing specialized training, Post basic qualifications, IT literacy and good communication skills would be an advantage.

An attractive remuneration package & medical insurance for hospitalization & OPD treatments together with a pleasant environment is on offer to the right candidate. Interested candidates should send their applications within 10 working days from the date of this advertisement to reach the following address. You may mail your application with the job applied for indicated in the subject line or on the top left hand corner of the envelope.

Staff Nurse (ICU/ NICU/ ETU)

You will be an integral part in our hospital and your contribution will be crucial for the highest levels of clinical outcomes.

Ideal candidates should be experienced nurses with a 3 years Nursing Diploma, supported with an approved theory and practical course structure from a recognized institute. He/she must be kind hearted and dedicated to patient care. Excellent communication and interpersonal skills, ability and willingness to learn, adjustability to changes are considered important while IT literacy is a definite plus.
