Kaya Wellness Resort, a 4-star property, is a tranquil retreat sprawling over ten acres of bountiful land in Uswetekeiyawa cocooned between the scenic Indian Ocean and a lush tropical lagoon.

All luxury rooms are furnished with enhanced fittings, executive desk, 42" flat screen television, in-room safe, luxury amenities and complimentary Wi-Fi.

Each room has a private balcony, with tranquil views of the gardens and ocean. The Resort has been operating as a paid quarantine centre under the Sri Lanka Army.

The centre is serviced by a top quality team of experts delivering high quality medical care and personalized service.

Only a 15-minute drive from Wattala Town.

Medical Treatment

- Managed by Hemas Hospitals, the only COVID-19 Safety Management Systems Certified (SLS 1672:2020) hospital in Sri Lanka. The only IMS certified hospital and Sri Lanka's first internationally accredited hospitals chain on patient safety and quality.
- Routine daily medical observations and medical records by a trained team of doctors, nurses and paramedical staff.
- Operated under the supervision of a team of specialist consultants.
- 24 hour in-house HDU/ICU care provided by a specialized team of consultants, medical officers and nurses.
- 24 hour ambulance/transport coverage for safe patient transportation.
- Facilities for diagnostic testing, teleconsultations with specialist consultants and nutritionists.

Hotel Facilities

- Fully furnished extra spacious Star class airconditioned rooms with spacious balconies presenting majestic views of the glistening Indian Ocean
- Spacious attached bathrooms with hot water, hair drier, luxury bathroom amenities and toiletries.
- Breakfast, lunch and dinner to be selected from a wider array of options.
- Evening snack.
- Special Food and Beverage menus to suite your palates.
- Work desk, chair, wardrobe, 42"TV and in-room safe.
- Cable TV, Wi-Fi, intercom, tea/coffee stations, drinking water bottles.
- Three sets of bed and bath linen.
